

CAREERS NEWSLETTER - AUTUMN 1 2022-23

This year we are introducing a careers newsletter to keep our pupils and their families/carers up-to-date with all the latest information about careers and post-16 opportunities.

All students at Millthorpe receive targeted careers education within PSHE lessons throughout the academic year. In addition, we provide students with a range of opportunities to access up-to-date careers information and education at workshops, career fairs, and from visitors in school. Year 11 pupils are also provided with two hour-long 1:1 careers advice sessions with our school careers advisor, Rachael Howlett.
