# Subject Reading lists

ALL THE BOOKS ON THE FOLLOWING  
SUBJECT READING LISTS ARE  
AVAILABLE IN THE LIBRARY AND  
ARE DISPLAYED AND LABELLED IN  
THE CABINETS JUST INSIDE THE  
ENTRANCE TO THE LIBRARY.

Reading has many educational benefits and reading around a school curriculum subject even more so. With this in mind, our departments have created further reading lists for each subject. The lists are organised around progression from Year 6 to Year 12, to include the transition from Key Stage 2 to Key Stage 3, and to prepare and excite students moving on to A Levels and Further Education.

Focusing on year groups also helps students progress in both their reading skills and subject knowledge as they move through Millthorpe School. Further reading is an integral part of becoming a lifelong learner and a great habit to develop while young.
